Dear Sir,

11 E 11

With reference to correspondence ending with our letter No 572 dated 15th September 1942 communicating to you of the futility of our negotiations to purchase the "Manorama" building in the Kempegowda Road, Bangalore City, as the owner, the late Dharma Prakasha B V Krishnaiengar was unwilling to sell the property, we write to inform you that the Municipal Commission, Bangalore City, to whom a reference was made on the subject, suggested to us some time back the vacant lands (Survey Nos 36 and 37), opposite the Vaccine Institute on the Lalbagh Road

We have made an inspection of these lands and find them to be suitable for the construction of structures for Garages, Stores and Offices As there is no prospect of our securing other suitable lands or sites within the municipal limits of Bangalore, we have decided to purchase these lands and erect necessary buildings thereon in due course These lands are situated in the Sampigehalli village of the Bangalore North Taluk and have to be acquired under the Land Acquisition Act
